

3r CONGRÉS DE LA BICICLETA LLEIDA Catalunya 2010

Call for papers

In 2006, the 1st Catalan Bicycle Congress was successfully held. Two years later, a second edition of the Congress was held thus consolidating the event as a milestone in the promotion of bicycle use in our country. From 14 to 17 April 2010 the 3d edition of the Congress is to be held in Lleida.

We welcome the presentation of any research or experience we can draw upon. On April 15th in the afternoon, two simultaneous workshops on urban and interurban infrastructures will be held with the participation of national and international speakers and chairs.

Topic: Infrastructure

In the last few years there has been an increase in the construction of bicycle facilities both in urban and interurban areas. The development of this means of transport has demanded efforts in the design of facilities adapted to it.

Content

Summary text (please do not include pictures or tables) in which the content of paper is succinctly presented. The topic of the paper must be related to bicycle facilities:

Urban infrastructures:

- Schemes and measures for traffic calming: bike lanes, 30km/h areas, shared roads, parks, etc.
- Signage: light signals, horizontal painting, traffic lights, infrastructures management, crossings, bike stations, street furniture

Interurban infrastructures:

- Soils, road surfaces, cycle routes, natural paths, shared roads, etc.
- Tunnels, bridges and walkways, underground passage ways, *green ring*, etc.

Formal features

- DIN A4, 300 words approximately
- Languages: Catalan, Spanish, English and French

Send your paper

Please send the summary of your paper as an attached document by email at info@congresbicicat.org before **March 20, 2010 (12am)**. We will inform you on our decision before April 1 and will then provide you with further information on deadlines for the reception of the complete version of your paper.

L'any 2006 es va celebrar amb èxit el Primer Congrés Català de la Bicicleta. Dos anys després es va organitzar la segona edició, consolidant l'esdeveniment com una referència en la promoció de la bicicleta al nostre país. Del 15 al 17 d'abril de 2010 es realitzarà a Lleida la 3^a edició.
